**Report on Technical Talk by alumni**

A technical talk was organized by the Department of ISE on 26<sup>th</sup> February 2021 for the students of I sem. The talk was presented by Alumni of ISE, JSSATE, Mr. Suhas Nayak. Suhas is a Cloud App Specialist in Accenture, Bangalore. He has 7 years of experience in this field. He also runs his own fitness center. The talk was divided into 2 sessions. The first session was on Cloud Computing for Real-Time Applications

**Objective:**

To be aware of the upcoming technologies and get exposed to the opportunities in various fields

**Outcomes:**

1. Exposure to the basics of cloud computing.
2. How to maintain a fit body and a fit mind.

The first session was on the importance of cloud computing. The impact of cloud in our daily routine was explained thoroughly. The types of cloud, along with the advantages and disadvantages, were briefed.

The next topic of discussion was on a healthy mind and a healthy body. Focus on the goal; maintain consistency through hard work to achieve the goal were the takeaways from this session. He also mentioned all work and no play makes Jack a dull boy. With respect to this he asked the students to take up some physical activities which will keep them going.
