Report on Alumni interaction

Department of Civil Engineering, JSS Academy of Technical Education, Bengaluru organized Alumni interaction through virtual mode on **27th March 2021** from 11:00AM to 12:00 PM.

The event started at 11.00AM with the welcome address by Dr. Santosh B S, HOD, Dept. of Civil Engineering, JSSATE-Bengaluru, gave a welcome address. Prof Rashmi S.M introduced the speaker Ms Bhavana D.R to the audience (First year students of Civil Engineering).

About the Speaker - Ms Bhavana D.R – MBA in Construction and Project Management, RICS School of Built Environment, Mumbai.

The speaker then started with the talk planned for the students, the two main components of the being the career after 4years of Engineering and the skills need to be developed during these 4 years of Engineering. The main contents shared during the vent are as follows.

- Explained students regarding the importance of Internship in getting a good job.
- Suggested students how to apply for an internship or a job.
- Suggested students to get registered in most of the major job portals like LinkedIn.
- Instructed them to get connected with the people by creating LinkedIn profile.
- Explained the students regarding the various fields available to take up their higher studies under Civil Engineering.
- Suggested students to approach the faculty members for their valuable suggestions.
- Shared some of the key points in preparing for the competitive exams.
- Explained the students regarding opportunities available to become an Entrepreneur under the field of Civil Engineering.
- Also informed the students about the importance of language and communication skills.

The session was then open for the interaction between the speaker and the students; few students interacted with the speaker and cleared their doubts.

Then the function was followed by the vote of thanks by Prof Rashmi S.M, then it was proceeded by the informal conversations between the other faculty members and the speaker.
