

Report on Alumni Interaction-2021

Department of Mechanical Engineering arranged an Alumni interaction session on “Life in Defence services” by Squadron Leader R J Pradeep, Indian Air Force (2008 graduating batch) was arranged for BE(First year) students on 08.03.2021 from 10:30AM to 12:00 Noon, in Seminar Hall-1, Academic Block-A. This interaction was planned with an objective of reconnecting with the alumni as well as showcasing their success stories to inspire the budding engineers of the institute.

In his interaction, he conducted a ‘Josh check’ of students by dividing them into two teams. He explained the career in armed forces particularly in IAF, roles and responsibilities during peacetime and wartime, entry in (flying branch, technical, ground duty, non-technical), modes of entry (through CDS /NCC) pay scale and allowances for various posts, selection procedures. He shared 4 key words for a successful life through “LUCK matters” (Love what you do, Understanding, Confidence and Knowledge). He narrated his professional experiences as at Siachin glacier, Patankot and as bomb disposal squad.

The programme was coordinated by Mechanical Engineering department coordinator, Dr. Suresh Holi and Dr. B. P. Shivakumar, Dean (Student welfare)
