Time: 11.00AM

Venue: Online- Google Meet

No. of 6th semester students Participated: 101

The Department of Computer Science and Engineering, JSSATEB organized a webinar on “Robotic Process Automation “under Alumni Initiative on 12th June 2021.

Mrs. Snehathatha N, Assistant Professor welcomed the speaker Mr. Kapil Raina, RPA advisor, M/s.Squareone Technologies who is an Alumni of JSSATEB. She briefed about the brief profile of Mr. Kapil Raina .She also welcomed Dr Naveen N C, HOD, Department of CSE, all the teaching, non-teaching staff members and 6th semester students

Dr .Naveen N C, HOD, Department of Computer Science & Engineering also welcomed Mr. Kapil Raina and appreciated the areas in which he is working that would help students.

Mr Kapil Raina highlighted on the following topics during his session.

- Introduction to Robotic Process Automation.
- Scope of RPA in IT Industry
- Scope for RPA developers
- Benefits of RPA and some use cases
- Industries where RPA is applicable
- Demo of web based application using bot.

Mr Kapil Raina ended the session by taking up the queries made by students.

The session ended with vote of Thanks by Mrs Snehalatha N where she expressed her heartfelt thanks to Mr. Kapil Raina for delivering an informative technical talk on RPA. She also thanked HOD, Dr Naveen N C, all the faculty members and students for being part of this session.
