

## **Report on the Alumini Talk**

### **A talk on higher studies**

A alumini talk was organized by the Department of ECE on 26th May 2021 for the students of VI semester. The talk was presented by Thrived Araveti, Nikita Pai, Chaithra Shiv, Prem Sagar, Deepa Reddy & Prathiksha CM Alumni of ECE, JSSATE-B. As all these people are having experience of more than 1-2 year in this field. The session was organized in online mode and it was streamed to students of 6<sup>th</sup> semester ECE and around 60 participants attended the session.

#### **Objective :**

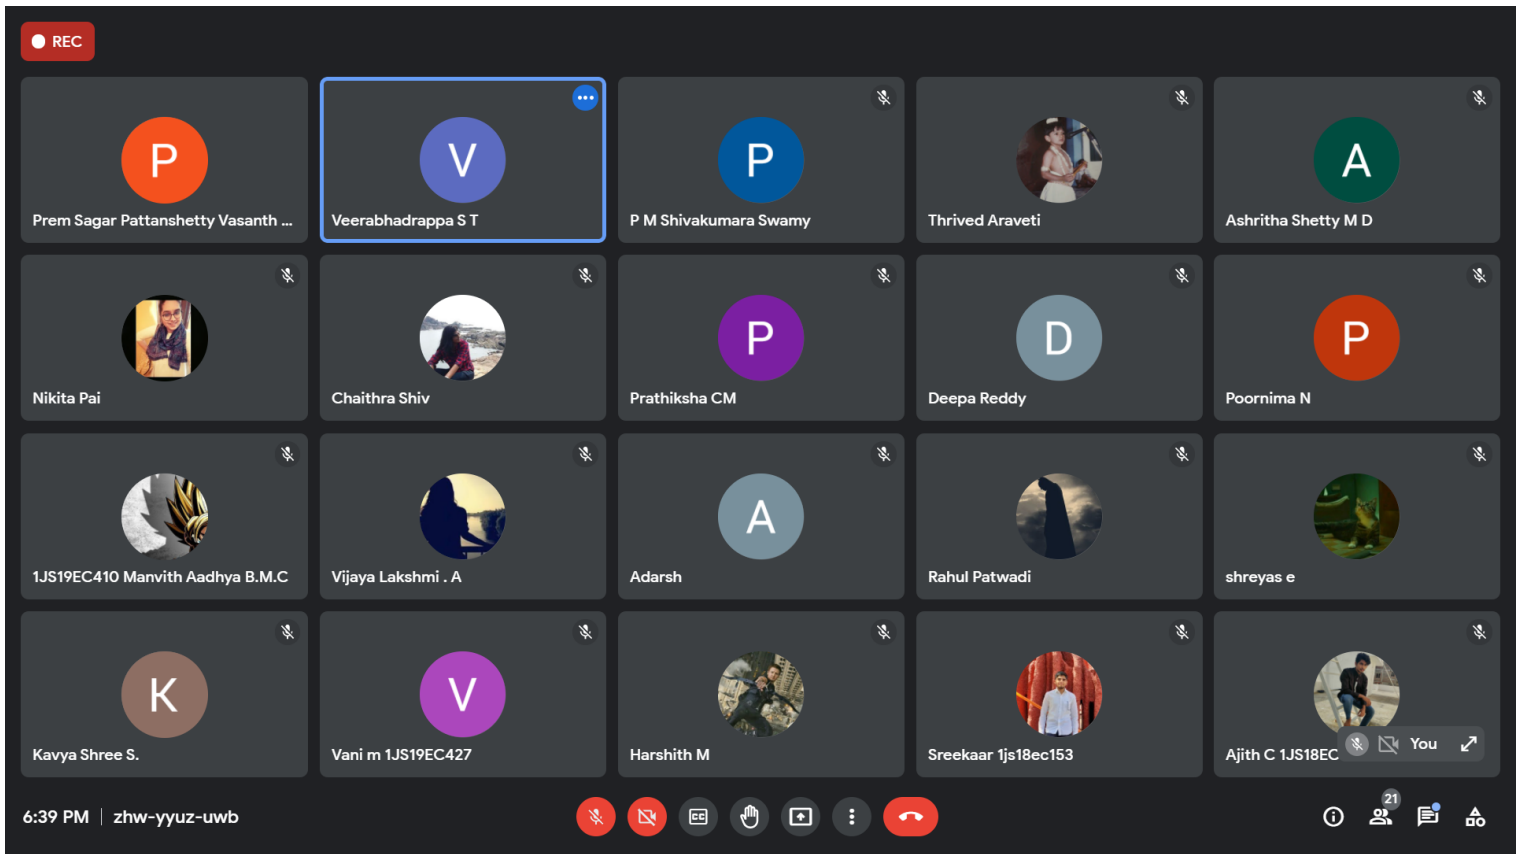

1. To create awareness about Further Studies like M.tech , M.S.
2. To choose a particular domain for higher studies.

#### **Outcomes :**

1. One can understand how to prepare for the entrance exams like GRE, TOFEL, GATE etc.
2. Shared points on, how to apply for the correct university.

Some graduates have spoken out about their experiences with Higher Education. Ms. Prathiksha C.M. explained how to begin preparing for the university entrance exam and shared her own experience. Nikita Pai, Chaithra Shiv, Prem Sagar, and Deepa Reddy reminisced about their college days, and each of them described how they prepared for further education. Overall, the session was quite instructive, and many students had their questions answered, which aided all students who will be graduating in the near future. After completing the Master's programme, many of the undergrads had a good notion of the exposure. The Alumini also provided information on the minimum requirements for admission to the best colleges, as well as how to apply for scholarships and financial help. Our Alumni and students were happy with their presence. It was an informative session that gave all the students how they must start preparing for the for their higher education all at one place. We are grateful to the presence of all our alumni and the love we received from them. We look forward to their presence in the subsequent years of Alumni Association too. We wish them a successful and fruitful life ahead

All students appreciated the talk and were enthralled to know how they should be starting the preparation for entrance exam, and also students understood how the university works, which domain to choose.
